

INTERPERSONAL COMMUNICATION OBSERVATION

Name _____ Date of Activity _____ Time Credit _____

Briefly state the interpersonal interaction you observed (an argument at home, confusion about instructions at work, character interaction on a TV program, etc.).

Describe the interpersonal communication interaction in detail, withholding any evaluation or judgment (just state the facts and examples of dialogue).

Spend a few moments analyzing and evaluating what you observed, then describe your interpretations and reactions.

Share any other insights or comments about the observation?
